

Fragrance Free Policy

Here at Arthouse Preschool, LLC. we have a "**FRAGRANCE FREE**" environment for our employees when we hire.

I need to extend this same policy to the children who attend our program. We have teachers who have a low tolerance for fragrance as it either makes them nauseous or causes major headaches, that can lead to migraines.

Therefore, I ask you to please refrain from sharing your perfumes, colognes, aftershaves, ECT. with your child before his/her arrives here.

Thank you for your understanding in this matter.

Sincerely,
Arthouse Preschool LLC. Staff

If you have any questions please feel free to ask at any time in the office!
